

European funding programmes in biomedical sciences

Fellowships from the Marie Skłodowska-Curie actions

Scope: The [Marie Skłodowska-Curie actions](#) [1] support research training and career development focused on innovation skills. The programme funds worldwide and cross-sector mobility that implements excellent research in any field.

Who can apply: It depends. More info: <http://ec.europa.eu/research/mariecurieactions/about-msca/quick-guide/in...> [2].

Contact: http://ec.europa.eu/contact/index_en.htm [3]

Research grants from the ERC

Scope: The [ERC](#) [4] encourages proposals that cross disciplinary boundaries, pioneering ideas that address new and emerging fields and applications that introduce unconventional, innovative approaches.

Who can apply: Researchers of any nationality.
